

Touch Canterbury's Christchurch Junior Touch Module 2012

Touch Canterbury will be starting another junior touch module at Christchurch Rugby Club, Westminster Park, on Wednesday the 15th of February. The round robin competition will run for six weeks and final will be played on the 7th week.

For all those individuals in teams developed by Touch Canterbury in term 4, 2011, we will help facilitate these again. One of the things we learnt from the last competition is the need for each team to have a manager so if anyone is willing to do this we will discount their entry fee.

Grades: YR 3-4 MIXED
YR 5-6 BOYS, GIRLS AND MIXED
